

Neighborhood Health – Pharmacy Manager
Full-time, 40 Hours

At Neighborhood Health, we're passionate about our mission to provide a kind and caring premiere workforce. Our team-based approach to comprehensive patient care creates a challenging and rewarding work environment where you have a direct role in helping members of our community receive quality medical services they can afford. And that's something you can feel good about.

As a member of our growing team, you will feel at home in a fun and diverse community of healthcare professionals. Our goal is simple: improving access to healthcare in our community and surrounding areas. Due to expansion, Neighborhood Health is looking to add a Pharmacy Manager to our team, reporting directly to the Director of Pharmacy. Together, we are all committed to building healthier communities by delivering comprehensive, quality health care with compassion and respect.

This is an exciting opportunity to assist with building the Pharmacy program from the ground up at Neighborhood Health!

As a Pharmacy Manager, you will:

- ✓ Oversees the day-to-day operations of the Pharmacy department.
- ✓ Conducts and evaluates medication histories, assesses compliance and suggests modifications for optimal drug product selection in order to achieve desired outcomes; instructs patients on correct use of prescribed medications.
- ✓ Individualizes medication regimens using sound principles and understanding of drug absorption, distribution, metabolism, and elimination to establish and improve to optimum patient benefit.
- ✓ Effectively verifies patient medication orders for appropriateness and accuracy. Provides medication reconciliation and evaluates medication appropriateness and completeness with respect to patient data, including age, height, weight, diagnosis, and other pertinent patient information.
- ✓ Prevents, detects, and resolves medication-related problems. Makes evidence-based, patient-centered drug therapy recommendations as part of the Integrated Care Team in a PCMH Model.
- ✓ Will help lead and assist the organization's 340B oversight team in conjunction with the pharmacy director, which will include representation from pharmacy, legal, compliance, finance, and senior administration.

Requirements:

- Minimum of 5 years of pharmacy experience.
- 340B experience preferred.

Education Requirements:

- Doctor of Pharmacy (Pharm D) degree preferred or Bachelor's degree in Pharmacy.
- Immunization certification

This position is full-time with benefits. We offer competitive pay, health, dental, vision, critical illness & accident insurance, 403(b) retirement plan, PTO, and paid holidays.
