

Neighborhood Health – Clinical Pharmacist
Full-time, 40 Hours, Exempt
Oxford

At Neighborhood Health, we're passionate about our mission to provide a kind and caring premiere workforce. Our team-based approach to comprehensive patient care creates a challenging and rewarding work environment where you have a direct role in helping members of our community receive quality medical services they can afford. And that's something you can feel good about.

As a member of our growing team, you will feel at home in a fun and diverse community of healthcare professionals. Our goal is simple: improving access to healthcare in our community and surrounding areas. Neighborhood Health is looking to add a Clinical Pharmacist to our team, reporting directly to the Senior Director of Pharmacy. Together, we are all committed to building healthier communities by delivering comprehensive, quality health care with compassion and respect.

As a Clinical Pharmacist, you will:

- ✓ Select appropriate drug therapy based upon the pharmaceutical principles of pharmacokinetics and pharmacodynamics.
- ✓ Complete self patient monitoring for efficacy, adverse effects, and clinical outcomes.
- ✓ Communicate relevant findings and/or recommendations to other health care providers verbally and in writing.
- ✓ Appropriately assist in deprescribing for medically complex patients with extensive polypharmacy.
- ✓ Formulate necessary protocols for clinical and support staff.
- ✓ Provide concise, applicable, comprehensive, and timely responses to requests for drug information.
- ✓ Educate health professionals, students, residents, patients and the public regarding rational drug therapy.
- ✓ Complete chronic care management consults and work under collaborative practice agreements.
- ✓ Establish and implement programs that help ensure cost effective drug therapy and successful patient outcomes.
- ✓ Complete quality metrics outcomes for population health.

Requirements:

- Current in good standing or have eligibility for Indiana Pharmacist license.
- 340B experience preferred.

Education Requirements:

- Doctor of Pharmacy degree from an accredited School / College of Pharmacy.
- Post graduate year one residency with experience in ambulatory care or rural health required; post graduate year two residency in ambulatory care preferred.

This position is full-time with benefits. We offer competitive pay, health, dental, vision, critical illness & accident insurance, 403(b) retirement plan, PTO, and paid holidays.
