TRANSFORMING HEALTH. CHANGING LIVES. ONE MAGICAL NIGHT.

Dear Friends,

It is with great excitement that I invite you to our inaugural Mystical Masquerade — a night of celebration, community, and purpose.

This special evening is more than a fundraiser; it's the start of an annual tradition dedicated to expanding access to compassionate, comprehensive healthcare for everyone in our community. Your support directly powers Neighborhood Health's mission to provide high-quality medical, dental, vision, behavioral health, and pharmacy services, ensuring that no one is left without care, regardless of their financial situation.

As you enjoy the evening's festivities, know that every moment — every auction bid, every sponsorship, every donation — is helping real families right here in the region reclaim their health and their hope.

Join us in making the impossible possible. Together, we can transform lives.

With gratitude,

Angie Zaegel
